# Adopt-A-Room

We are there to support the ever-changing needs of seriously ill children and their families, and you can be too.

We have a unique opportunity, through our Adopt-A-Room Sponsorship, where you can be accountable for keeping a family together and close to the medical care their child needs.

By adopting a room, you can provide a family with the opportunity to recharge and get the necessary rest so they can offer the strongest support possible to their child.

If you or your organisation are looking for a rewarding sponsorship opportunity this is it! By becoming an Adopt-A-Room Sponsor, you can help provide families with a safe haven in their time of crisis.

We believe helping families stay together at a critical and fragile time in their lives eases the burden of their difficult journey. By Adopting-A-Room you can help make every day a bit brighter for seriously ill children and their families.
